CIKC Fall Show

Thoughts from our Show Superintendent

The October Show is one to remember for sure—
Unfortunately, lots of stuff afterwards to endure.
But it's over and we can move ahead.
Those issues were dealt with and are now dead
Unless there's someone's appeal to be had.
“Bring it on! I'm ready and fighting mad.”

In spite of this, there were many compliments from first-time exhibitors and old-timers (including Stan Flowers). For a grumpy guy, he can be charming at times.

Thanks again for all of your help and support before, during, after, and beyond the show. One learns something new about protocols and people every day—which is good. ~Pat Brown
